German Chamber - Your Business Advantage

A German Chamber membership will be one of your best business assets - if you want to do business in Hong Kong, Germany and Greater China. Whatever your business needs are GCC can help. Through the partnership with the global network of German overseas Chambers of Commerce (AHK), which is officially mandated to promote trade and investment between Germany and its host countries, GCC members have unique and privileged access to a host of services, network contacts and resources that go far beyond the scope the chamber could normally provide.

Plus Plus Plus...

Receive

Regular invitations to events such as luncheons, breakfast meetings, seminars, conferences, dinner receptions, field trips, and other functions jointly organised with international chambers in Hong Kong.

Establish

Business contacts with the German, local and international business communities at events and delegations.

Be Represented

GCC represents its members' interest by keeping in close contact with important government bodies and participating in international & local business committees.

Communicate

With influential speakers and government policy-makers, and exchange ideas/ information/ support with other members.

Join

Events to acquire the latest business trends/opinions and gain a competitive edge.

Added Value

Special offers and services exclusively provided to the members of the German Chamber. Achieve collective advantage of being part of the German business community.
